

~ SPRING VINES ~

ORDER NOW FOR SPRING 2012 AND WINTER 2013

As a specialist vine nursery, every one of our vines is carefully hand grafted then callused, planted and acclimatised for vigorous growth.

In many cases our customers are harvesting crops in the second season.

Supplied in a biodegradable peat plug, our vines are easy to handle and ready to plant. You will be amazed at the vigorous growth from the moment the vine is planted.

Best of all, our high volume means highly competitive **wholesale** prices!

Now is the perfect time to be planning your Spring 2012 and Winter 2013 planting requirements. We have access to all mainstream rootstock and clonal varieties

OUR VINES ARE SIMPLY THE BEST IN THE MARKET

*** EARLY BIRD OFFER ***

Confirm your order **before 30 April 2012** and receive a **10% discount**

(offer excludes Sheehan Genetics and proprietary varieties)
